

2-DAY BOOTCAMP · CERTIFICATE PROGRAMME

DPDP Implementation Bootcamp

Create a human layer to a larger technical framework, linking employee education with automated guardrails. Build a legally defensible corporate infrastructure that survives a DPBI audit.

SCHEDULE Weekend batch — Saturday and Sunday, 9 am to 5:30 pm	MODE In person On FIIB campus, New Delhi
BATCH 1 12th – 13th September 2026	BATCH 2 19th – 20th September 2026

WHY THIS, WHY NOW

Statutory rules, turned into an operational shield

Shift from reactive IT fixing to proactive data governance .	Embed privacy-by-design into core business workflows without slowing innovation or data-driven growth.
Get the exact UX blueprints to eliminate 'dark patterns' and build compliant consent workflows.	Earn the executive credential certifying you to lead cross-border privacy governance.
Build customer trust while achieving 100% statutory compliance.	Prevent reputational damage , and future-proof organizational operations.

WHO IT IS FOR

Leaders who influence personal-data decisions

01 Cross-functional leaders and implementation owners who influence personal-data decisions	02 Business and functional heads
03 Privacy, legal and compliance teams	04 Technology, cybersecurity and data leaders
05 Procurement and vendor-management teams	06 Risk assessment professionals
07 Product / programme managers	08 Senior managers sponsoring DPDP readiness for their team

WHAT YOU WILL LEARN

M1 The DPDP Mandate in Plain English	M2 Diagnose Readiness and Map the Data Journey
M3 Purpose, Notice, Consent and Rights by Design	M4 Vendor and Processor Risk
M5 The Breach Room	M6 Governance, Retention and Responsible Use
M7 From Findings to a 90-Day Plan	M8 Implementation Clinic at Day 30

A programme architecture tailored to your function's data exposures

1. Board & C-Suite Framework

Fiduciary liability, systemic risk and capital allocation. Financial risks of non-compliance (entity penalties up to ₹250 crore) and business continuity — to secure sponsorship for unified DPO/CISO budgets and governance changes.

2. Product, Engineering & IT

Privacy by Design and data minimisation: conditional fields, hardcoded right-to-erasure protocols, audit logs for consent tracking — so systems instantly delete records when consent is withdrawn.

3. Marketing, Sales & Customer Support

Frontline consent management and grievance redressal: valid consent workflows, avoiding 'dark patterns', and the statutory 7-day grievance resolution process — treating complaints as formal legal triggers before they reach the DPBI.

4. Procurement & Vendor Management

Third-party processor risk: evaluating vendor security postures, auditing cloud/SaaS providers, and drafting DPDP-compliant data processing agreements — so partners do not void your compliance.

PHASE 1

Understand

BEFORE

45–60 minutes of mandatory pre-work.

PHASE 2

Diagnose

DAYS 1–2

Two full in-person days: eight classroom modules.

PHASE 3

Design

DAY 30

90-minute virtual clinic, one on one, for clarifications and constraints.

PHASE 4

Defend

PHASE 5

Execute

WHAT YOU LEAVE WITH

1 DPDP readiness diagnostic	2 Personal-data and business-process mapping canvas	3 Consent and withdrawal journey review
4 Data Principal rights-request workflow	5 Processor / vendor due-diligence checklist	6 Personal-data breach response SOP
7 Governance, ownership and RACI matrix	8 Data-retention and erasure decision worksheet	9 Prioritised implementation roadmap

Plus worked fictional examples and adaptation prompts for internal adoption.

Practitioners teach. FIIB governs.

Founded 1994, New Delhi. **AACSB accredited** — among the top ~6% of business schools globally.

Guided by an Academic & Business Advisory Council of leaders from IIMs, IITs, Stanford GSB, Carnegie Mellon and Henley Business School, and organizations including Fractal Analytics, Waterbridge Ventures, EY, Morgan Stanley and the International Finance Corporation.

Located in Delhi NCR — India's largest corporate ecosystem of consulting firms, global corporations, financial institutions and startups.

AMBA & BGA Excellence Award — 2026 High Commendation for Employability Development (#B-Involved); 2025 for Culture, Diversity & Inclusion (#BalancingforBetter).

Recognised globally as a **PRME Champion** for responsible management education.

Level 5 Pioneering School, Positive Impact Rating (PIR) 2026 — one of just 12 B-schools globally in the Pioneering category.
